together for scotty.

"Scotty's situation is heart felt across all our footy club. I am more than happy to help the "All Together for Scotty" cause in any way I could. It makes you appreciate life and all that it offers, it draws you closer to family and friends and it is a privilege to be able to help in a small way." **Paddy Dangerfield.**

"Scotty is an active, vibrant and full of life person, who now faces a bloody tough battle and some trying times. Being able to help in any way as part of his extended football family, is what this family, team and club is all about." **Rory Sloane.**
